

Procédure d'enregistrement d'une adresse e-mail de récupération

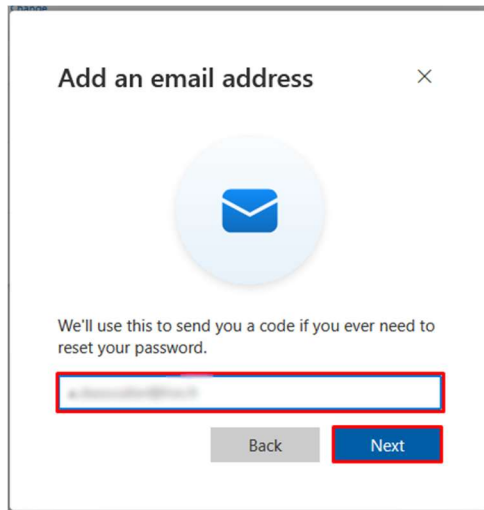

1 – Rendez-vous sur <https://mysignins.microsoft.com/security-info> puis cliquez sur 'Ajouter un moyen de connexion' / 'Add sign-in method':

2 - Cliquez sur « E-mail »

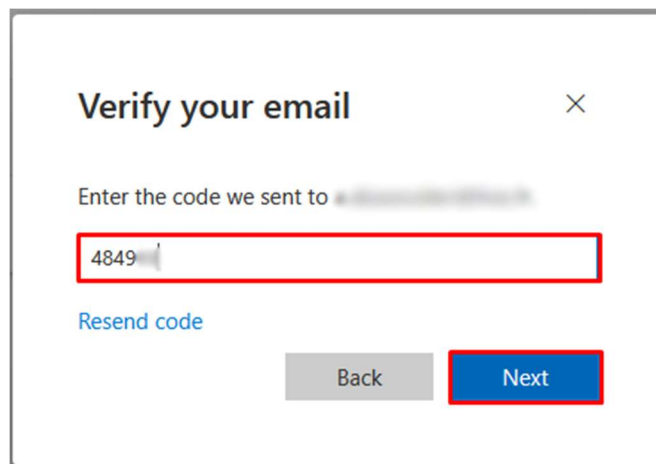

3 - Saisissez votre adresse e-mail personnelle, puis confirmez en cliquant sur 'Suivant / Next'

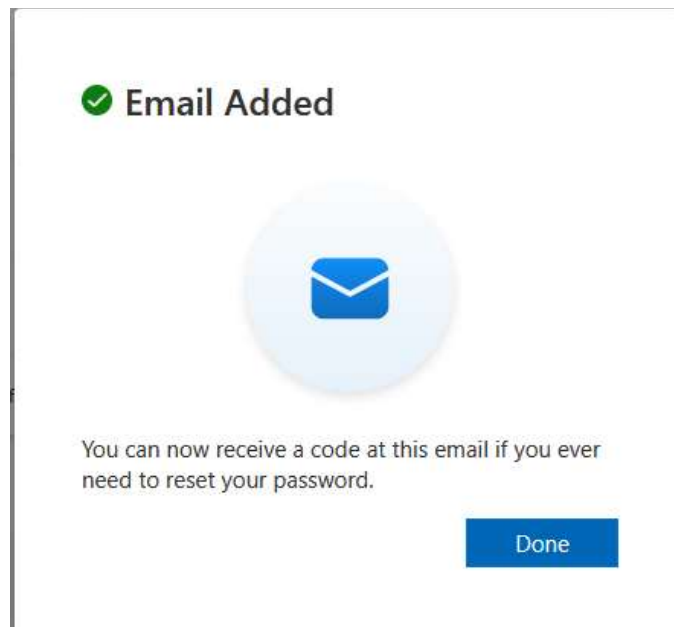

The screenshot shows a dialog box titled "Add an email address" with a close button (X) in the top right corner. In the center is a blue envelope icon inside a light blue circle. Below the icon, the text reads: "We'll use this to send you a code if you ever need to reset your password." There is a text input field containing a blurred email address, which is highlighted with a red rectangular border. At the bottom, there are two buttons: a grey "Back" button and a blue "Next" button, also highlighted with a red rectangular border.

4 - Saisissez le code que vous avez reçu par e-mail, puis confirmez en cliquant sur ' Suivant / Next '.

The screenshot shows a dialog box titled "Verify your email" with a close button (X) in the top right corner. The text "Enter the code we sent to" is followed by a blurred email address. Below this is a text input field containing the code "4849", which is highlighted with a red rectangular border. Underneath the input field is a blue link that says "Resend code". At the bottom, there are two buttons: a grey "Back" button and a blue "Next" button, also highlighted with a red rectangular border.

5 - Un message de confirmation s'affichera. Vous pouvez terminer en cliquant sur ' Terminé / Done '.

The screenshot shows a confirmation dialog box. At the top left is a green checkmark icon, followed by the text "Email Added". In the center is a blue envelope icon inside a light blue circle. Below the icon, the text reads: "You can now receive a code at this email if you ever need to reset your password." At the bottom right, there is a blue button labeled "Done".
